6 Persons Indicted by Grand Jury

The Marshall Circuit Court grand jury adjourned Wednesday after returning six indictments.

George Davenport was indicted on a charge of grand larceny. He is accused of taking a beagle hound from Ray English.

Loman Smith was indicted on a charge of child desertion. J. W. Smith of near Dexter was indicted on a charge of child desertion.

Two other persons were indicted on child desertion charges and still another was indicted on a grand larceny charge, but these persons have not been arrested and their names were not made public.

The grand jury praised the way the Health Center, the County Farm and the court house are being maintained but urged that new mattresses and bedding be purchased for the county jail and that the jail be completely painted.

Harry Benson was foreman of the grand jury and members were Hayes Dyke, John C. Angle, Clifton P. Smith, Sara Bourland, Walter Ruggles, Ollie J. Cox, John Booker, Tom Carper, Artelle Lindsey, Mrs. Ryan King and Mrs. Jess Gregory.

The slaying trial of Mrs. Willie May Patterson was continued. Mrs. Lena Roper, mother of Clyde Patterson, the shooting victim, asked for the continuance because of the death of her stepson. The case had been set for June 13, but will not be heard at this term of court.

The case was brought to Marshall County from Fulton County, where the shooting occurred, on a change of venue.

Several civil cases are scheduled for hearing in Circuit Court here next week.

Polio Vaccine Available For All in County

The Marshall County Health Department states there is enough polio vaccine being produced to protect every expectant mother and every child under 20 in this county from the frightful effects of polio.

The increased supply will make polio vaccine available for every Kentuckian in this group. The vaccine is the only means of preventing this crippling disease. Your child has a right to protection. His vaccination must be given as soon as possible.

Find out now and make sure your child's summer is safe and happy. Your doctor will tell you when your child may be given polio vaccine.

Only 7.5 percent are protected of the eligible children in Marshall County, and that isn't enough being protected.

SURPLUS FOOD TO BE DISTRIBUTED JUNE 23
Surplus commodities will be distributed at the courthouse in Benton on Saturday, June 23. Needy persons who have been approved for the surplus food are requested to get their allotments at that time, said County Judge Hafton.

Joe Clark has been a patient at the Barkley Ramsey Hospital in Memphis for the past ten days.

Miss Betty Brandon had as her houseguest for several days last week, Miss Betty Jo Smith of Dyersburg, Tenn.

Optarians of 2 Cities Hold Dinner Here

Benton and Kuttawa Rotarians will hold a joint banquet at the Community Building in Benton on Friday night.

The banquet is the outgrowth of a contest held between the two clubs. The contest was a tie, with each club having 100 percent attendance.

EXPERIMENTAL PROJECT—These FFA students of North Marshall High School are a few of the 40 who are taking part in a corn-raising project near the school. Riding the tractor is Jerry Chumler, twice tractor-driving champion of the county. In front of the fertilizer tank are, from left to right, Jimmy Small of the Long Concrete Co., FFA member Charles Brooks, Ag Teacher Gordon Chester, and FFA member Jimmy Young.

North Marshall FFA Boys Plan Test Crop

The FFA Chapter of North Marshall High School is conducting a summer project in land productivity.

The young future farmers, under the guidance of Gordon Chester, ag teacher, have planted seven acres in corn on land near the high school. The school is built on a 22-acre plot and seven of these acres are being used by the students for the summer project.

Purpose of the project, of course, is to determine the increased yields possible through proper fertilizing of the land.

The land, before planted, was treated with 100 pounds of anhydrous ammonia (82 percent) fertilizer per acre. This liquid form of fertilizer was "shot" into the ground from a pressure tank mounted on a tractor. This fertilizer was donated free by the Long Concrete Co. of Benton and Calvert City, distributor of the Big N anhydrous ammonia fertilizer.

Later on, the land will be treated with 62 percent metaphosphate, using 400 pounds, plus 150 pounds of potash. The Co-op Store of Benton is conducting the youthful farmers in providing this fertilizer at a low cost.

150 Attend Annual Breakfast of the Gilbertsville Post
One hundred and fifty persons attended the annual outdoor breakfast held Sunday by Harrison Vickers Post 144, American Legion, at Kentucky Dam State Park.

The organization's members prepared the food and made other arrangements for the annual program. Prior to four years ago, the members and their families had the meal prepared for them.

Whipple Walker, a Navy cook in World War II, headed the staff which prepared the breakfast.

Proceeds from the breakfast were placed into the organization's building fund.

Home Ec Students At Brewers to do Summer Projects
Home economic students at Brewers High School have taken the following summer projects:

Barbara Filbeck, painting a room; Patsy Bolan, caring for lawn; Johnnie Allcock, making pleated skirt; Janette Houser, caring for lawn; Jo Ann Houser, making bird bath; Jean Johnson, lawn; Judy Mohler, lawn.

Julia Nance, making a jumper; Jane Nelson, flower beds and lawn; Lucy Pittman, painting yard fence and gate; Barbara Donna Reed, cleaning and rearranging living room; Linda Sullivan, caring for lawn.

An example of a project completed is the bird bath made by Jo Ann Houser.

Mr. and Mrs. Albert Dowdy of Cincinnati, Ohio, visited relatives here this week.

L. V. MARTIN

Hardin FFA Will Send 6 to State Meeting

The Hardin FFA Chapter will send at least six members to the leadership training center at Hardinsburg on June 25-29. Ten members had planned to attend but due to the lack of transportation it may not be possible for all 10 to go.

The six officers who will attend are Mickey Mays, president; Wayne Green, vice president; Arlie Conner, secretary; Jerry Weaver, treasurer; Donald Chapman, secretary, and Donald Lynch, reporter.

The chapter sent two delegates to the state convention early in June. They were Mickey Mays and Donald Lynch. Glenn Warren, chapter advisor, accompanied the delegates to Louisville.

Aurora P-TA Plans Supper Party June 15

The Aurora P-TA is sponsoring a barbecue supper on Friday night, June 15 at 6 p.m. Central Standard Time.

Everyone in the community is invited to attend and bring a vegetable dish and a loaf of bread. The meat and drinks are to be supplied by the P-TA.

Two quartets and a string band will provide musical entertainment after the supper. The big party will be held at the school, and the general public also is invited.

Mrs. Lillie Avent and Eddie Hall of Jackson, Miss., arrived in Benton last week to visit Mrs. Lillie Hall.

Tobacco Price Support Eligibility Rule Changed

Eligibility for price support on tobacco produced in 1956 will be based on the harvested acreage of tobacco, according to Everett Treas, chairman of the Marshall County Agricultural Stabilization and Conservation Committee. Previously any excess tobacco which had been harvested could be destroyed and the balance was eligible for price support.

Under the new regulation the County ASC Committee representatives will measure the tobacco fields and determine the acreage on each farm. When a farm is determined to have an acreage of tobacco in excess of the farm allotment the farmer will be given notice of the excess acreage. If a farmer wishes his tobacco to be eligible for price support he must file with the County ASC office for a re-measurement or for a certification to the disposition of the excess acreage.

100 Attend Drainage Meeting

Approximately 100 persons attended a meeting at the courthouse here Monday night to discuss plans for getting something done about the Clark's River drainage problem.

The meeting was sponsored by the board of supervisors of the Marshall County Soil Conservation District. Renloe Rudolph presided. Other board members present were Sam Gold, Homer Chester and E. A. Mathis. J. M. Solomon was not able to be present.

It was an educational meeting to acquaint citizens with problems to be solved. It was brought out at the session that there is a good chance of getting the river drained if landowners in the watershed are interested enough to organize themselves into a conservancy district. This will permit landowners to act officially in seeking aid from the federal government on the project.

Several petitions now are being circulated to learn if landowners really want to help solve the drainage problem. If sufficient interest is shown, the petitions will be presented to the Marshall County Soil Conservation District.

The Soil Conservation District there will call a public hearing on the matter and all interested citizens will be asked to attend the hearing and express their opinions. After the hearing, the Soil Conservation District will determine whether the interest justifies an attempt to form an organization to push the drainage problem to successful conclusion.

If the Soil District decides this interest is sufficient, a public referendum will be held. If the vote favors formation of a conservancy district, directors will be elected and will begin working on the project.

The tax problem was discussed at the meeting, and it was stated that taxes would not be sufficient to disturb anyone. The law specifically states that the tax on the drainage project cannot exceed five mills per one dollar of assessed property valuation. It was stressed that only land involved in the watershed program would be taxed.

For instance, if a farmer owns 40 acres of bottom land and 60 acres of hill land, only the 40 acres of bottom land will be taxed. The tax on \$1000 valuation would only be \$50, it was pointed out.

A movie "With Our Own Hands" was also shown at the meeting.

Apprentice County Agent Arrives for His Summer Duties
George Emerson Jones has been appointed apprentice county agent in Marshall County for June, July and August. He will work with the county and home agents in various phases of youth and adult work. Mr. Jones is a student at the University of Kentucky, having completed his junior year.

He is one of 10 students selected to receive training during the summer months. He will return to Lexington in September to complete his college education.

Mr. Jones was reared on a farm in Henderson County and is familiar with farm conditions and has had experience in growing tobacco, corn, wheat and general livestock. He is majoring in pasture crops, which include row crops and pastures. He will be doing special work with 4-H Clubs while here.

THE OLD TIMER
"Money isn't everything, but it helps until everything comes along."

County Struck by Burglary Wave; 3 Youths Arrested

A wave of break-ins and burglaries has swept over Marshall County since June 1, and merchandise valued at more than two thousand dollars has been stolen.

Latest break-in was Monday night, June 11, at the Ashland Service Station located near Gilbertsville.

The burglars took 13 tires, four batteries, fishing equipment and the cash register. The register, however, contained no money.

The residence of Clyde Chumler on Route 6 also was entered and a mattress and other household goods were taken. The Chumblers have been living in Detroit, and the house was vacant.

On Friday night, June 8, there were two break-ins. Two outboard motors were taken from Cherokee State Park, the playground for Negroes. And the American Legion Hall at Calvert City was entered, the thieves hauling off a television set and a portable radio.

Thursday night, June 7, the J. K. Harrison store at Olive was broken into and a quantity of cigarettes taken. And on the same night, Wayne Burnham's residence on Route 6 was entered. Here the thieves took a mattress, chairs and some smaller items.

Wednesday night, June 6, Bob Arnold's office at Calvert City was entered and the burglars took the air conditioner and an electric fan. The Shell Service Station on Route 6 also was entered. Missing merchandise included cigarettes, cigars, radiator cleaner and "other small items."

On Saturday night, June 2, Dean Collier's Grocery on Route 5 was entered. The burglars took \$35.19 in money.

Three juveniles were in Marshall County jail for investigation in connection with the break-ins in this county, and also a series of burglaries in McCracken, Lyon and Livingston counties.

Two of the boys lived in Marshall and one lives in Lyon County.

The boys first were jailed by McCracken, but were brought to the Marshall County jail late Monday afternoon by Sheriff Billy Watkins. All later were released under bond.

Sheriff Watkins has taken fingerprints at the scenes of several of the break-ins.

Some stolen merchandise was recovered with the arrest of the three boys.

Rip Wolfe Dies In Florida; Was County Native

News has been received here of the death in Florida of Rip Wolfe, a former Marshall County native.

Funeral and burial services were held at Groveland, Fla., where he had resided for several years.

Survivors include a sister, Mrs. Cleve Lovett of Fairdeal, and a brother, Rolfe T. Wolfe of Detroit.

Mr. Wolfe was a son of the late Mr. and Mrs. J. R. Wolfe of Fairdeal. He was well known in this county, where he lived many years, and had many friends here.

Mr. and Mrs. Perry Elkins plan to go to Miami, Fla. by the Fourth of July to visit their daughter, Carolyn.

Democrats to Skirmish For Control in County

The Marshall County Democratic convention will be held in Benton on Saturday, June 30.

Similar conventions will be held throughout the state.

At the convention here, 17 delegates will be elected to attend the state convention later in the year.

A political skirmish is expected between the forces of Governor Chandler and anti-Chandlerites for control of the Marshall County convention.

The two opposing forces already are drawing up battle lines for the June 30 encounter.

JOE B. MOSS DIES OF AUTO CRASH INJURIES
Joe Benjamin Moss, 60, died June 9 at the Marion, Ill., Veterans' Hospital as the result of injuries received in a car accident June 1. He was at first a patient at the Murray Hospital.

Funeral services were held in Murray Monday. Revs. B. B. Winchester and J. Frank Young officiated. Burial was in the Kenton Cemetery in Paducah.

Mr. Moss was a half brother of Mrs. J. Frank Young of Benton.

Open Friday Nite 'Til 8:30

Attendance is 137 At Bible School Held by Baptists

Vacation Bible School of the Baptist Church of Calvert City which began June 4 ended at 1 p. m. Friday June 8, with a picnic at Ky. Dam.

Average attendance for the school was 137, and one intermediate and one junior girl were converted to Christ. Two classes, one Primary and one Junior, had a 100 per cent attendance for the entire week.

Rev. Galen Hargrove was principal of the school and Mrs. George Lamb was secretary.

Nursery teachers were: Mmes. Pauline Devine, Astrid Bagdovyan, Kitty Karnes and Betty Davis. Beginner class teachers were: Mmes. Mary Boulden, Wilma Pay Evans, Charlene Woods, Edna Mae Owens and Lillian Dees. Primary teachers were: Rivers Capps, Louise Allen, Violette Grief, Mable Hargrove and Stella Devine. Junior teachers were: Mmes. Dorothy Clark, Louise Travis, Catherine Goheen and Edna Oakley. Intermediate teachers were: Mmes. Lucille Joiner, Mae Shaw, and Mrs. Luther Morehead.

Rev. Gordon Dale Hargrove and H. W. Ford attended the wedding of Miss Norma Wyman and Macron Wilson at 4 p. m. last Sunday in Dublin, Ky.

Mrs. T. O. Halley spent last week-end at her home in Madisonville. Mrs. Halley has been staying with her daughter, Mrs. Carl E. McKim, while she is convalescing.

New Feature to Start

Next week's issue of the Courier will mark the beginning of a series of articles on the people of Calvert, and will be entitled "MAN (OR WOMAN) OF THE WEEK." These articles will be based on interviews with different men and women who either reside or are connected in some way with Calvert City.

Of interest to all of us are the new people as well as the older residents of the town. If it were not for this combination of new and old people, Calvert City would not be as progressive as it is.

But our town already is a surging chemical effort with a schedule of growth that any town could be proud of.

Progress doesn't just happen. It is carefully made by people—new and old—and these are the ones you will be reading about. Watch for the beginning of this series in the next issue. You may be one of them.

Here and There

Mr. and Mrs. Fred Powell and sons, Mike and Johnny, spent last week-end in Louisville, visiting family and friends.

Mr. and Mrs. R. C. Smith and family, who have been living in Texas, are back in Calvert City.

Mr. and Mrs. J. B. McFarland and son, Andy, are vacationing with Mrs. McFarland's parents in Wilmington, Delaware.

Miss Roselle Gray plans to enter a business training course in Paducah June 18.

Hubert Williams, of Jackson, Tenn., was a guest of Rev. and Mrs. Galen Hargrove last week-end.

Mrs. Haywood Alford and her mother, Mrs. B. R. Barrett, of Monroe, Georgia, had Mrs. Robert Wheeler as their dinner guest at Ky. Dam Dining Room Monday night of last week.

Dr. William Colburn left June 12th for Akron, Ohio to attend a medical convention of B. F. Goodrich Co. doctors.

Mr. and Mrs. Joe Donahue, of Louisville, visited Mrs. Della Key last week. Mrs. Donahue is Mrs. Key's cousin. Week before last, Mrs. Key's daughter and son-in-law, Mr. and Mrs. W. E. Hayes, of Indianapolis, visited her.

Mr. and Mrs. J. B. Conn spent Thursday through Sunday with Mr. and Mrs. William Johnson, in Florence, Alabama. The Johnsons are former residents of Calvert City.

Mr. and Mrs. Myron Pfeiffer and children, Susan and Tommy, are leaving Sunday for Evanston, Illinois. Mrs. Pfeiffer and the children will spend two or three weeks with her parents, Mr. and Mrs. W. S. Karstetter, while Mr. Pfeiffer goes to Europe on a business trip for B. F. Goodrich Co.

Mr. and Mrs. Pete King went to Louisville last week-end to get their daughters, Shirley and Martha, who have been visiting their grandmother, Mrs. Pauline McCrackin.

Mrs. Basiel Brooks Hostess at Session Of Her Bridge Club

The Calvert City Bridge Club met for lunch with Mrs. Basiel Brooks at her home on Sledd Creek Wednesday, June 6 at 12 noon.

After a delicious summer luncheon, the club enjoyed two tables of bridge. Cakes and candies were served during the afternoon.

The club decided to not meet during July and August. The next meeting will be June 20 in the home of Mrs. Robert Arnold.

Prize winners for the afternoon were Mrs. Myron Pfeiffer and Mrs. Robert Van Ness. Members present were: Mmes. J. B. Conn, Robert Arnold, Russell Lund, William Colburn, and Robert Van Ness. Mmes. Haywood Alford and Myron Pfeiffer were guests.

Calvert Lions to Present Charter To Kuttawa Club

The Calvert City Lions Club met June 7 at 7 p. m. for dinner at the Gypsy Tea Room.

The business session was conducted by the president, Charles Hall. Plans were discussed for presenting a charter to the new Kuttawa Lions Club, which the Calvert City Club sponsors.

The charter will be presented at a dinner meeting, June 21, at the high school auditorium in Kuttawa. It will be Ladies' Night for the Lions Clubs from Calvert City, Kuttawa, Benton, Hardin, Salem, and Smithland.

Frank Tomcik received an automobile handy light as an award for bringing two new members into the club. Father Thompson spoke on his recent travels in Europe.

Thirty-five Lions attended the dinner meeting.

CARBIDE CLUB ELECTS NEW STAFF OF OFFICERS

The Natar Management Club of National Carbide Co. met at Ky. Dam Dining Room last Wednesday, June 6 for dinner.

Following the meal, John Powell, president, presided during the election of new officers for the coming year. Officers elected who will take office in September are: President, William S. Howard; vice president, Richard Hampton; secretary, Jim Burgess; and treasurer, James Gootee.

Plans were made for the annual picnic to be held during the day and a dance that evening at Petter Lodge, July 21. The club adjourns for the summer months. The next meeting will be the first Wednesday in September.

OUTDOOR SUPPER HELD

Mr. and Mrs. Lee Keeling entertained friends at their home Wednesday June 6, at 6 p. m. with an outdoor grilled supper. Guests were: Mr. and Mrs. Clayton Brooks, of Mayfield; Mr. and Mrs. Art Masse, and Mrs. Robert Van Ness and son, Marc.

Mrs. Vernon Duckett, and daughter, Melody Lyn, spent a few days of last week in Indianapolis visiting her parents.

Mrs. Owen Dismore spent last week-end in Memphis, visiting her daughter and son-in-law, Mr. and Mrs. Lamar James.

**Ruth Class to Hold
 Its Annual Picnic
 At Lake on July 14**

Ruth Class of Hamlet Baptist Church met June 7 at the home of Patty Lou Larimer. Twelve members attended.
 Mildred Henson, president, presided and the meeting was opened with the singing of "Love Lifted Me." The devotional, from Matthew 5, was given by Mildred Henson and a prayer was said by Charlotte Powell.
 After transaction of routine business, a visitation program was discussed. The class decided to hold its annual picnic Saturday night, July 14, at the shelter house at Ky. Lake State Park. Members and their families will attend. Time of the picnic is 6:30.
 A recreation period was conducted by Mrs. Beatrice Gordon. Prize winners were Mildred Henson, Rita Ross, Earline and Rosetta Turner.
 Refreshments were served by the hostess, with Ravene Chambers assisting.

**WSCS Meeting Is
 Held at Home of
 Mrs. Henry Lovett**

The Woman's Society of Christian Service of the Benton Methodist Church met at the home of Mrs. Henry Lovett Monday afternoon for their monthly meeting.
 Topic of the program for the month was, "Home and World."
 The business meeting followed, with the president, Mrs. Warde Dappert, presiding.
 Those attending the meeting were Mesdames Katie Faughn, E. A. Walker, Orville Taylor, Harrison Werner, Warde Dappert, Coleman Long, W. W. Holland, Burnett Holland, H. H. Lovett Jr., George Long, Albert Nelson, Herman Creason, Ivory Adair, Paul Darnall, Oscar Shemwell, V. H. Burnette, R. R. McWaters, H. H. Lovett Sr.
 Refreshments were served after the meeting.

**Brewers FHA Club
 Holds Its Picnic at
 Noble Park, Paducah**

On June 7, the FHA members and their advisor of Brewers High School held their annual picnic at Noble Park in Paducah. The eighth grade girls also were invited.
 Those attending were: Misses Linda Staples, Jane Norsworthy, Patsy Hendricks, Jane Nelson, Joe Ann Houser, Sylvia Wyatt, Janice Treas, Judy Mohler, Richard Mohler, Donna Reed, Barbara Reed, Norma Penn, Sue Ann Overby, Gretta Matha, Barbara Rose, Carolyn Hunt, Marilyn Culver, Barbara Filbeck, Judy Faughn, Anna Lamb, Yolaine Swift, Johnnie Alcock, Julia Nance, Nelle Filbeck, Lay Pittman, Patsy Hicks and Cathy Conder.
 Adults included: Mrs. Reed Conder, Mr. and Mrs. Virgil Lyles, and advisor, Mrs. Melodean Hicks.

PERSONALS

Miss Royalyn Emerine went to Memphis, Tenn. on May 28 for a three-day orientation in the Methodist Hospital where she plans to enter in September for three years of nursing training.
 Mr. and Mrs. H. L. Broadfoot of Murphy, Ala., visited in the home of their daughter, Mrs. Joe Brooks Phillips and attended the birthday party of their son, Billy Joe, on Thursday afternoon.
 Mr. and Mrs. Mark Kelley and girls Jeannett Fae and Rhonda of Chattanooga, Tenn., spent last week with Mr. and Mrs. H. D. Dublin.
 Joe Jones, grandson of Mr. and Mrs. H. E. Mathis and Mrs. Alta Jones of Benton, will leave this week for Gary, Ind., where he will be employed.
 Mrs. Ott Morris has been on the sick list at her home in Benton for several days.

Mr. and Mrs. Hardin Sutherland of Route 3 and their granddaughter, Pamela Sutherland, visited Mr. and Mrs. Guy Chester in Humboldt, Tenn., Sunday. Guy has been ill. Mrs. Laura Treas and Mrs. Foust.

Lena English of Route 6 and Calvert City Route 1 were shoppers in town Monday. Mrs. Pearl Larkin has gone to Cincinnati to visit the family of her daughter, Mrs. James.

Miss Faw is Married In Church Ceremony

The First Missionary Baptist Church was the setting for the wedding of Miss Mary Carolyn Faw, daughter of Mr. and Mrs. Homer Faw of Benton and Billy B. Hinson, son of Mr. and Mrs. Bascom Hinson of Mt. Pleasant, Tex., on June 7. The Rev. Frank Young performed the double ring ceremony.

The choir rail was entwined with smilax, huckleberry and salal and banded with wrought iron baskets of white gladioli and white stock. White tapers burned in wrought iron candleabra. The family pews were marked with white satin bows.

A program of nuptial music was presented by Miss Georgia Beth Henson, organist, and Miss Glenda Henson, soloist.

The bride, given in marriage by her father, wore a white lace ballerina length gown, featuring a pointed, long torso bodice, draped shoulder lines and a full skirt, colonial style. Her waist length veil of illusion fell from a lace and net hat, trimmed with seed pearls and tiny designs of appliqued lace. She wore elbow length lace mitts, carried a white Bible topped with a white orchid and white satin streamers. Her only jewelry was a single strand of pearls worn by her mother on her wedding day.

Miss Sandra Johnson served as maid-of-honor. She wore a dusty pink cap gown with draped shoulder lines fashioned like the bride's gown. The short bodice

was sprinkled with pearls and the full skirt was colonial style. Her matching shell hat, short veil and mitts were also sprinkled with pearls. She carried a colonial bouquet or orchid pom-poms and baby's breath.

Mrs. Faw wore a dusty lace over taffeta with draped neckline. Her accessories were navy and a white orchid was pinned at her shoulder.

Mrs. Hinson, mother of the groom, wore a light blue linen and lace frock with short sleeves. Her accessories were white and a white orchid was pinned at her shoulder.

The bride's parents entertained with a reception at their home on West Eighth Street. The bride's table was overlaid with a handmade lace cloth and held a centerpiece of white gladioli, white carnations and baby's breath, flanked by crystal candleabra, holding lighted tapers. The three tiered wedding cake, topped with a miniature bride and groom was surrounded by white nylon net and roses.

Miss Suzanne Peak served the cake and Misses Jackie Galloway and Dianne Heit served at the punch bowl. Miss Jean Williams kept the register.

Immediately following the reception the couple left on an unannounced wedding trip, with the bride wearing a blue linen sheath jacket dress and white accessories. The orchid from her

B. M. Dossett of Calvert is Winner In Big Bass Derby

B. M. Dossett of Calvert City is Kentucky Lake winner of the big-bass race in the "Kentucky Affair" fishing derby. He won with a whopping 7 1/2 lb. largemouth.

Dossett took hisunker on a "bomber" while fishing out of the Coakley's dock. It was the largest bass recorded during the six weeks long Derby presented by the Department of Fish and Wildlife Resources and WAVE-TV.

Two other champs also were crowned in the "Run-for-the-Rods and Reels" at Kentucky Lake.

Ray Land of Bridgeport, Ill. caught the largest crappie (a 4 1/2 pound beauty out of Sugar Bay Dock), and Mrs. R. M. Harpole of Clinton won the bluegill race with a half-pounder netted at Big Bear.

Dossett's bass won him a True Temper "Aristocrat" flyrod. Land will receive a True Temper "Dynamic" spinning reel, and Mrs. Harpole, a True Temper "Dynaspin" spinning rod.

All the prizes for the Kentucky Lake Derby were contributed by the True Temper corporation.

In addition to winning the Kentucky Lake big-bass derby, Dossett also leads in the Grand Prize Derby. The Grand Prize is for the largest largemouth bass caught in Kentucky by a Kentuckian before Sept. 15. The

Bass Fishing Best Bet On Big Kentucky Lake

Bass fishing is good on most parts of Kentucky Lake, reports to the Courier this week indicate. Crappie catches from the lake are not so good, but there have been reports of some mighty good catches of crappie in rivers and streams. Blood River has been an especially good spot.

Paul Gilliam of Fisherman's One Stop reports one of the big black bass seasons in years. Morning fishermen have had best luck with the bass.

Gilliam also said "We are right on the verge of the jackpot fishing for Stripes around the bridge piers at night."

Live minnows and frozen willow flies are the best bet for night fishing for the Stripes.

John Shroat of Ky. Lake State Park boat dock says that fly rod fishermen are having good luck. Surface baits are doing the best job, he said, but to catch the big ones it is necessary to use deep and medium running lures. Rad Conner of Hardin recently caught a nice string of bass there, using fly rod and hula popper.

man who lands that lunker will win an Evinrude 10 hp "Sportwin" motor, a Richline 14 ft "Challenger" aluminum boat, a Holsclaw S-50 boat trailer, an Airex "Larchmont" spinning reel, and an Airex tubular glass spinning rod.

Catches at Fisherman's One Stop Included:

W. L. Holland and son of Fulton, 12 bass, 13 Stripes and one pike. Mr. and Mrs. Felix Humphries of Hopkinsville took 22 catfish weighing a total of 63 pounds. They fished with worms.

Calvin Moran and John McCoy of Hopkinsville took 18 bass with bombers. J. W. Hatchel, Charles and Carol Branson of Madisonville took 24 bass averaging about 2 pounds. They used bombers. Dr. Jack Ross of Clarksville, Tenn., took the bass limit with Bayou Boogie.

Jim and Bill Pell and Jim Gilton and Don Nicson of Brazil, Ind., took 28 bass and 11 Stripes trolling with spoon plugs. Dale Bolyard, W. E. McKuin and Clarence Leach of St. Louis took 99 crappie with minnows in 15-foot water. The crappie averaged one to two pounds.

TICKETS AVAILABLE FOR NORTH-SOUTH CAGE GAME

Tickets for the annual North-South cage classic, to be played Saturday, June 16, in the Murray State College gymnasium, still may be purchased.

Chair seats are nearly sold out, but a few of the stadium type chairs are available at \$2.50 apiece. Bleacher seats parallel to the playing court may be purchased for \$1.50 apiece.

The Farm FRONT

BY J. HOMER MILLER

Congratulations to Delores Goheen on being elected Vice President of the Kentucky Association of 4-H Clubs. This is the first time a Marshall County 4-H member has been elected to an office in the association.

Kenneth Rose placed in the blue ribbon group. He received a fountain pen as an award for his splendid showing.

We were very proud of our boys and girls in Lexington. They were a credit to our county. They want to express their appreciation to the Bank of Marshall County, Crawford-Ferguson Company, and the Marshall County Farm Bureau for the contributions to their trip.

Dry weather in part of the county is showing up in pastures and crops. Shallow cultivation should be practiced on all row crops. Deep plowing destroys feed roots that are badly needed during dry weather.

Courier Classifieds Pay

General admission bleacher seats, located in the end zones of the gymnasium, sell for \$1 each. All seats are reserved. Mail orders will be filled through the college business office.

Mrs. Finus Pierce of Route 2 was a shopper in town Saturday.

Mr. and Mrs. A. A. Oakley of Route 7 were shoppers in Benton Tuesday afternoon.

For there stood beside me this night the angel of God, whose I am, and Whom I serve.—(The Acts 27, 23.)

The wonderful, all-enveloping presence of our Heavenly Father, His love and protection, His never-ending good, are ever with those who love and serve Him, whose surrender to His will and guidance are complete, without reservation.

Will Offer
to Attract
Next Fall

men are in for a unique hunting season open all day if they visit Kentucky Parks. Pheasant and other game will fall in large numbers before guns of park hunters when the Division launches a program of controlled hunting in October. For a "package deal" was announced by Division Commissioner L. Jackson. Under the program, designed to attract hunters to parks, the hunters pay a flat rate for his accommodations and hunt. The Division is abundantly stocked with game. For the controlled hunting season, the Division has announced a designated area for the hunt. The hunt will result in restocking in adjacent areas because of the birds and animals will escape the hunting. Jackson pointed out. Kentucky Dam Village, Paducah and Lake Cumberland have been marked for the development of the plan. It is one phase of a campaign to extend the park season to the usual three months to months. Jackson said hunters reserve accommodations in the park will be guaranteed as long as they take in areas where they will be assigned hunting.

and Mrs. Glen Henson, and Mrs. Orion Henson of Benton renewed their subscription to the Courier while in Paducah Saturday. Mrs. J. Wofford and Mrs. J. Rhodes of the county renewed their last Thursday.

LIGHTNING HITS HOME OF THE WILLIE TRUETTS

Lightning struck the home of Mr. and Mrs. Willie Truett a week ago last Friday and knocked the electric hot water heater out of commission. The Truets were not at home at the time. They noticed Sunday that there was no hot water and called an electrician Monday. The electrician discovered that the heating unit had been burned out by lightning.

Mr. and Mrs. Mark Clayton, Jerilyn Clayton and Jo Beth Barnes left last week for a two-week vacation which included Denver, Colo.

Noah Chambers of Route 1, Golden Pond, visited his son, Harris Chambers here Saturday.

Miss Howard is Married

Miss Lanette Howard, daughter of Mrs. Lena Howard of Calvert City and the late Wiley G. Howard, became the bride of Billy Payne Thurman, son of Mr. and Mrs. Galen M. Thurman Sr., of Murray, on Thursday, May 31.

Ernest Clevenger Jr., minister of the College Church of Christ, Murray, read the impressive double ring ceremony at 5 o'clock in the afternoon at the Church of Christ, Calvert City, in the presence of the immediate families.

The church was decorated with baskets of white flowers and ferns. Small blossoms were entwined between the candles.

The bride wore a waltz length dress of white cotton lace over chintz with long gloves of lace. The dress was fashioned with empire waistline, sweetheart neckline and a full skirt. Her waist length veil of illusion was attached to a tiara. The bride's only jewelry was a double strand Delta pearl choker, a gift of the groom. She carried a white Bible on which was placed a white orchid with satin streamers.

Mrs. Morris Paxton Walker, the former Miss La Donna Byers, of Benton, was the only attendant. Her dress was a blue lace sheath fashioned with a sweetheart neckline matching that of the bride's. Her bouquet

was of pastel carnations with a small matching headpiece.

Galen Miller Thurman Jr., of Murray, served as his brother's best man. Ushers were James Kerleok, nephew of the bridegroom, and Donald Howard, nephew of the bride.

For her daughter's wedding, Mrs. Howard chose a navy linen sheath dress with white piping with matching accessories and a corsage of white carnations.

Mrs. Thurman wore a black linen sheath dress with a double strand necklace and matching accessories. Her corsage was

of white carnations.

Immediately follow the ceremony a reception was held in the home of Mrs. James Gillahan, who was assisted by Miss Lavern Howard, Mrs. Louis Kerleok and Miss Reba Gillahan.

The bridal table was overlaid with a lace cloth and centered with a floral arrangement of pale pink and white carnations. Mr. and Mrs. Thurman left for a short wedding trip with the bride wearing a charcoal grey Irish linen dress with fitted bodice and large white linen and lace collar with a white

orchid corsage.

The bride is a graduate of Murray State College with a Bachelor of Science degree in business education. She is a member of Sigma Sigma Sigma social sorority. Mr. Thurman is a part-time student at Murray State College majoring in business and physical education. He is a partner in the Purdom and Thurman Insurance Agency in Murray.

The bridal couple are residing at 500 Olive Street, Murray.

Wilford Chandler of Route 7 was a visitor in Benton Friday.

Misses Lela and Pearl Green of Route 1 were shoppers in town Friday.

Calvert City Girl Is Vice President Of State 4-H Clubs

Miss Delores Goheen of Calvert City was elected vice president of the Kentucky 4-H Clubs at a statewide meeting held last week in Lexington.

Miss Goheen has done outstanding work as a 4-H member in Marshall County, winning many county and district contests.

A Calloway County team won the state 4-H farm reservoir contest, and a McCracken County team won the drainage contest.

Grand Opening
ANNOUNCEMENT OF THE NEW
FRANKLIN SHELL SERVICE STATION
— NEXT WEEK —

See what happens... **Switch to Shell!**

Before TCP... The car above was bought brand new and driven about 3000 miles on a competitive premium gasoline. Then its rate of acceleration was checked by radar. The pick-up was poor because of engine deposits, which caused the spark plugs to "miss."

After TCP... The same car now performs after it has been run on a few tankfuls of Shell Premium with TCP, which overcomes engine deposits. Radar checks on this and other cars showed in most cases a 6 to 18% increase in pick-up after TCP additive had overcome pre-firing and spark plug "miss."

Radar proves you can get up to 18% faster "pick-up" with Shell Premium with TCP

Today's high-powered, high-compression engines are really rarin' to go, but they're especially sensitive to engine deposits.

Within about 3500 miles these deposits can short-circuit your spark plugs—causing them to "miss." The result: power loss. Your almost new engine has lost its fine edge.

The picture above of a radar-clocked acceleration test shows how TCP additive restores this lost power—delivering up to 18% faster acceleration.

Try Shell Premium with TCP and re-power your car while you drive. See your Shell Dealer.

*Shell's trademark for this unique gasoline additive developed by Shell Research. Patent applied for.

God's Ambassador

Lesson for June 17, 1958

VERY few readers of this column have any chance of being appointed as the ambassador of the United States to any important foreign country. It isn't that you are not good enough. You are not rich enough. Ambassadors are expected to live in a high style. (Did you ever inquire what just one pair of striped pants, made to order, would cost you?) They are not expected to live on the salary the United States pays them. They have to live in mansions for which the mere housekeeping bill is enormous, they have to give parties and dinners costing more than you earn in a month.

God's ill-housed ambassador. Strange as it seems, the ambassadors of God are not usually looked after in such sumptuous style. They always have housing, of a sort, but it is seldom palatial. Indeed one of them wrote, "If we have food and clothing, with these we shall be content." Nothing said about housing. One of the very greatest of God's ambassadors to this world suffered from something quite a bit worse than leaky roofs or lack of plumbing. If the Apostle Paul were to visit our town today, even people outside the church would want to have him put up at the best hotel in town, or entertained at the finest homes. Paul sometimes got this sort of treatment, but a great deal of the time, indeed for years on end, he would be actually in jail. Not only that, but he would have to wear chains on his arms and legs as if he were a member of a chain-gang. Strange to say, too, this did not make Paul unhappy or bitter. After two solid years of that sort of thing, some men might be willing to quit. But not Paul. Standing before a king, his hands cuffed down so that it was hard to move, Paul said, "I would to God you were just as I am—except for these chains." He would not wish his chains on anybody; but otherwise he knew he was better off than a king, for he was still the ambassador of God. There is no higher place.

Spokesman for God. We must not blame God for the poor treatment his ambassadors receive. It is not his fault. But God's men understand this. Paul understood it, and went on speaking for God wherever he was. Some Christians might think that if Providence had dumped them in jail they could be expected to take a vacation from witnessing to their faith. But Paul knew that there never is a real vacation from being a Christian. There have been some peculiar characters appointed as ambassadors now and then by human governments; but no emperor, king or senate ever appointed a dumb man, to represent his country. There was a great convention of Christian business men in Louisville, Kentucky, last winter. Three of these men were on their way afterwards to the airport in a taxi. What would you have done in their places? The convention was over, business and families were expecting you home. No time, no place, for Christian work in a taxi, surely? But these men did see it that way. They talked to the driver, found he was not a Christian. Never mind the plane, they said, just drive us to your own home. There they talked with him, prayed with him, and he gave his heart to Christ. They raised the plane, but do you think they regretted it?

The chains still rattle. Actual iron chains do still imprison some of God's people. There are parts of the world where it is almost a crime merely to be a Christian. But even where that is not true, the men and women who represent God have to work against many kinds of handicaps. Sometimes it is only being thought peculiar, or superstitious. Sometimes it is having to work under government which is unfriendly to religion, as is the case in some mission fields. Sometimes it is some local "industry" which is vicious and powerful and will strike back at any person, or group, religious or otherwise, that threatens to cut down their profits. Sometimes these invisible chains puzzle the mouth of a minister whose people will not let him speak up for his own Christian ideals. Well, chains may hold back God's kingdom; but they will never stop it!

Benton Beautiful

By BEATRICE BREEZE
"When life's lowest ebb is reached, Dad is the one human left who has the courage to hitch up his belt and say: 'Let's begin over again.'"

Anonymous.
In thinking about Father's Day I have felt that as much sentiment should be expressed for Dad as for Mother; that we should make the third Sunday in June as important as the second Sunday in May. Then, the June issue of the Ladies Home Journal came in the mail and I found columnist Dorothy Thompson had completely covered the subject! It is a very fine article which, I think, every one should read. Nevertheless, I shall attempt a few words of appreciation for fathers.

The above quotation is meant to bear out the fact that Dad is the bulwark of the home—the head of the house—not the last resort when life seems to be breaking into pieces! For it is usually he who does furnish the courage in time of crisis to "begin over again." So on Father's Day fitting tribute should be paid to the men of our community who, after all supply the strength of our social and economic structure—and if it were not for them—and in my phraseology I include all fathers, grandfathers, and heads of households—many of the things we enjoy, as a populace in our community might not be possible.

There is scarcely a drive, a movement, or an undertaking that can be accomplished without the men lending a helping hand or a boost of some sort to make it a success. At this time when Father's Day is being celebrated let us do more than just honor the Dad in our house; let

us give an expression of warm appreciation to all the "dads" of the community who help to make it a better place to live.

This is the time of year too, when many social amenities are expressed. Have we ever stopped to think who it is that provides the means that makes such things possible? It is the man of the house who might, or might not be in the foreground (unless he is the "father of the bride") but most assuredly is in the background of these festivities.

When times of stress and strain beset us it is he who has that strength in reserve that sees us through and makes it as easy as possible.

We grow very sentimental on Mother's Day and rightly so for a mother risks her life to give life and should be honored—but a father risks his life and sometimes gives it as a mother does to keep a life or to keep a way of life for his family. Someone has said it takes both men and women to make this world complete and therein is equality. Logical enough it seems—so why not honor both in an equal way? "If as one of the Mother's Day founders had somewhat sentimentally declaimed 'the most common possession of the living world is a mother,' a common possession is also a father, without whom there can be no motherhood"—Dorothy Thompson.

So let us give our vote of thanks—and mean it—to the dad in the home or the head of the household—and to those in our community and remember the countless things they do for us. Let us give them their rightful place and remember with Dorothy Thompson that "Dandelions may grow by being

trampled on; people don't. Not even fathers! Let us look to the one who can so cheerfully say, "Let's begin over again" when life hasn't been so kind! honor the head of the household! Let us last, but not least, hold!

Best Seller that's hard to beat

This '56 Buick is packed with new features—and priced close to the smaller cars!

WANT SOME QUICK FACTS on the big news in automobiles today—news that can guide you to a smart move and a real smart buy?

Then listen—it won't take long!

The 1956 Buick has so many new developments—in styling—in power—in performance—in ride and handling—that it is, literally, the best Buick yet. That's Fact No. 1.

And Fact No. 2 proves it: Buick today is more strongly entrenched than ever in the top three of the nation's best sellers—outselling all other cars in America except two of the well-known smaller cars.

One big reason for this success is the strapping new Buick SPECIAL—like the one pictured here.

It's priced right close to those smaller cars—but, like every '56 Buick, it's a whale of a lot more new car for the money.

It cradles a big, new 322-cubic-inch V8 engine that's record-high in power and compression, and crammed with engineering news even the costly cars can't claim.

It makes the most of every bit of power with a new version of Variable Pitch Dynaflo* that's the most efficient yet. With a new development the engineers call "double regeneration," Dynaflo gives you great new acceleration from the first thrifty inch of pedal pressure. Even before you switch the pitch.

And this '56 Buick cushions you in the

softest ride ever. Shows an uncanny sense of direction on every curve and turn. Puts a whole new feeling of safety, security and solidity into every mile you drive.

So before you buy any car—catch up on the latest news. Come try a '56 Buick. When you see how much new automobile your money can buy, we don't think you'll ever settle for less.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

AIRCONDITIONING at a COOL NEW LOW PRICE
It cools, filters, dehumidifies. Get 4-Season Comfort in your new Buick with genuine FRIGIDAIRE CONDITIONING

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

LAMPKINS BUICK COMPANY

An impressive wedding by candlelight took place at the Fenton Church of Christ on Sunday afternoon, June 3, when Miss La Donna Byers, daughter of Mr. and Mrs. Leon Byers of Lenton, pledged her marriage vows to Morris Paxton Walker of Crossville, Ill. Mr. Walker is the son of Mr. and Mrs. Vearl Walker of Crossville.

Ernest Clevenger of the Murray College congregation, performed the double ring ceremony. Music was presented by Mr. and Mrs. Robert Camp, Miss Nancy Burnette, Wayne Emmons and Mr. and Mrs. Frank-

lin Cleaver. Emerald jade and ivory banked the altar and formed a background for the tall pedestal casket holding white stock and gladioli. Glowing white tapers in seven branched wrought iron candelabra, centered with arrangements of gladioli, softly lighted the wedding scene. The pews were marked by white satin bows.

The candles were lighted by Charles Lents, cousin of the bride, and Hugh Newcomb, brother-in-law of the groom.

The bride, entering on the arm of her father by whom she

was given in marriage, wore a full length wedding gown of white satin and lace, made princess style with a low cut neck line encrusted with pearls and sequins and featuring long fitted gloves tapering to petal points over the hands. Her double tiered veil fell gracefully from a skull hat of lace covered satin and sequins and she carried a bouquet of lilies-of-the-valley and stephanotis, with white satin streamers with love-knots holding blossoms of stephanotis, and centered with a corsage of gardenias.

Miss Anelia Byers, sister of the bride, was maid of honor, and wore a white satin and lace floor length gown with matching headband and mitts. Her bouquet was of white carnations and baby's breath with white streamers.

The bridesmaids were Mrs. Lanette Thurman of Murray, Mrs. Hugh Newcomb of Henderson, Miss Julia Cole of Benton and Miss Lawanna Rowden of Crossville, Ill. They wore identical models of white satin, floor length gowns, with lace over satin headbands and mitts, and carried bouquets of white carnations, and baby's breath with white streamers.

The flower girl, Linda Newcomb of Henderson, niece of the groom, wore a full length white satin dress. Her headband was of lilies-of-the-valley and she carried a dainty basket filled with rose petals.

Harvey Elder of Pryorsburg, served as best man and groomsmen were Charles Lents, James Harper of Benton, Hugh Newcomb of Henderson and Bob Ligon of Mayfield.

For her bride's wedding Mrs. Byers wore a blue printed silk dress. Her corsage was of white gardenias.

Mrs. Walker, mother of the groom chose a pink linen frock with short sleeves. She also wore a white gardenia corsage.

Immediately following the ceremony a reception was held in the Benton High School home economics building which was attractively decorated for the occasion with arrangements of white gladioli and greenery.

The bride's table overlaid with a white linen cloth with blue cutwork design was centered

with a four tiered decorated wedding cake topped with a miniature bride and groom. Clusters of small flowers with white satin ribbon were tied to each corner of the table. Assisting in serving were Mrs. Jack Parks, Miss Kathy Korte, Mrs. Robert Leneave, Mrs. Jane Freeman, Misses Johnnie Faye Farley, Beverly Riley, Katherine Landrum, Shirley Riesman and Sue Fuller. The register was kept by Mrs. Davalline Putteet.

Following the reception Mr. and Mrs. Walker left for a wedding trip to Pennyrile State Park. Mrs. Walker wore a navy blue linen dress with a small blue and white hat and the gardenias from her bridal bouquet pinned at her shoulder. Upon their return they will make their home in Benton. Mr. Walker will teach in the chemistry department at Murray State College this summer. He and Mrs. Walker are both graduates of Murray College, and Mr. Walker did graduate work at the University of Kentucky.

MADE IN U.S.A.

Mr. and Mrs. Henry Byers of Hardin Route 1 were visitors in Benton Saturday.

Mrs. Etta Rudd of Route 1 was a Saturday visitor in Benton.

A. T. Higgins of Route 7 was in town Saturday on business.

Jamie Collier of Route 2 was in town Saturday on business.

Mr. and Mrs. Fred Reeder of Route 2 were shoppers in town Saturday.

Miss Joan Ford and Herman Lovett are Married at Corinth

Miss Joan Ford and Herman Lovett of Benton were united in marriage in Corinth, Miss., Saturday June 2, the Rev. Glenn Smith performing the double ring ceremony.

The couple were accompanied by their parents, Mr. and Mrs. Woodrow Ford, and Mr. and Mrs. Bill Alton.

Mrs. Lovett was attired in a white dress with white accessories and wore a white orchid corsage.

Mr. Lovett, a graduate in the 1952 class of Benton High School, was in the Army 22 months. He trained at Fort Knox and was stationed in Germany for more than a year. He attended Murray State College the past year.

The couple are residing at 801 Elm Street.

CARD OF THANKS

With heartfelt gratitude we extend our sincere thanks to our neighbors, friends and relatives for their gracious thoughtfulness during the illness and death of our father, R. L. Brien.

We are grateful for all the beautiful flowers, the bountiful supply of food and the many kind deeds rendered. We also thank Elder Aaron Reeder and Elder Arlie Larimer for their words of comfort and the singers from Mt. Moriah Church.

May each of you be richly blessed for your kindness.

Julia Beth Howard is Wed

The First Baptist Church in Benton was the scene for the wedding of Miss Julia Beth Howard to Wallace W. Sanders Jr. of Louisville at 4 o'clock Saturday afternoon, June 9. The Rev. Paul Dalley, pastor of the church performed the double ring ceremony.

The altar was decorated with a background of ferns, palms, jade and emerald with pedestal baskets holding white stock and gladioli. White candles burned in wrought iron branched candelabra. Bows of white satin ribbon with streamers were entwined with the flowers and candelabra. The rails of the enclosures of the piano and organ were lined with salal.

The bride, who was given in marriage by her father, R. M. Howard, wore a gown of white nylon tulle and chantilly lace with a full bouffant skirt. The dress had a fitted bodice of silk tulle with small bows, short sleeves and mitts to complete the ensemble.

Her fingertip veil of illusion was held by a headpiece of white velvet decked with rhinestones. The bible she carried

was topped with sweetpeas and white carnations with streamers tied in love knots holding stephanotis.

The matron of honor, Mrs. David Brandon of Louisville, wore a ballerina gown of aqua crystallette over matching tulle. The bouffant skirt had a Dion bodice with a front bow and a boat neckline. Her headpiece was pink and she carried a bouquet of pink carnations and baby breath.

The flower girls, Misses Sheila McGregor and Lyndell Smith, wore dresses of pink crystallette and carried white baskets of assorted flowers.

Mrs. Howard mother of the bride, wore a dress of blue lace over matching taffeta. Her corsage was of white gardenias.

Mrs. Sanders, mother of the groom, wore rose organza over matching taffeta and a corsage of white gardenias.

Mr. and Mrs. Ray Moore of Paducah presented the nuptial music. Mr. Moore, who is minister of music at the Baptist Tabernacle in Paducah, sang "Because," "O Perfect Love" and "The Lord's Prayer." Mrs. Moore played on the organ.

"Speak to Me of Love," "Ah Sweet Mystery of Life," "I Love You Truly," and "O Promise Me, I Love Thee."

For the processional and recessional she played Mendelssohn's Wedding March and the Bridal Chorus from Lohengrin.

John Sanders, brother of the groom, acted as best man. The ushers were Russell Robinson and William Ouzts of Louisville.

Mrs. Sanders, the daughter of Mr. and Mrs. R. M. Howard of Benton Route 2, is a graduate of Benton High School and completed nursing training school in Louisville and has been employed at the First Baptist Hospital in Paducah.

Mr. Sanders, the son of Mr. and Mrs. W. W. Sanders of Louisville, attended the University of Louisville and is now a student of civil engineering at the University of Illinois.

A reception was held at the Howard home after the wedding, following which the couple left for an unannounced bridal trip.

Mr. and Mrs. Sanders will reside in Champaign, Ill.

Essay Contest on Farm Safety to be Held in Kentucky

"Here is How I Learned That Safety Pays Always" is to be the subject of an essay contest being conducted by the Kentucky Farm Safety Committee.

Anyone is eligible to enter the contest. You may tell of an accident that happened to you. Or you may describe an accident, or near accident, of a relative or neighbor.

The best essays will be published in state farm papers and some writers may be selected to tell of their experiences on radio and television programs. The writers of publicized essays will be awarded \$5.

Deadline for the contest will be only 28—the last day of Farm Safety Week which begins on July 22. Entries in the contest should be sent to Farm Safety Committee, 120 South Hubbard Lane, Louisville 7, Ky.

The essay need not concern a spectacular accident or near accident. But it should point up some general rule of safety which should have been observed by the person involved. It should begin with the words: "Here is How I Learned That Safety Pays Always."

Mrs. Carl Greenfield and her mother, Mrs. Mid Sless of Route 1 were visitors in town Friday.

SCIENCE IN YOUR LIFE

Oyster Shells For Mother.

A new mother who had spared no expense to insure a well-balanced diet during pregnancy was shocked when her dentist's first post-natal checkup revealed 23 cavities!

Though unusually severe, the patient's cavity-ridden dentures point up the fact that pregnancy places an extra-heavy nutritional burden on the expectant mother. Even "eating for two" often cannot meet every nutritional demand particularly in the case of calcium, an element needed to build the baby's bones.

Scientists have long warned that calcium deficiency often leads to dental trouble in pregnancy, since it is vital for sound teeth, too. To make up for this deficiency, vitamin-mineral supplements prescribed for the expectant mother contain calcium, usually in a form called calcium lactate. But only a small part of the calcium in this salt is available for use by the body, so the patient must take a good many pills—especially when nursing the baby further increases calcium demands.

One new dietary supplement, however, provides a unique answer to this problem. Its calcium source is purified, powdered oyster shell—almost wholly calcium carbonate. The supplement, called Storcavite, also includes ample supplies of other minerals and vitamins.

In some supplements, the mineral is supplied as calcium phosphate. However, phosphate has been blamed for the leg cramps often felt by mothers-to-be and should be avoided. Oyster shell calcium is phosphate-free.

SCIENCE IN YOUR LIFE

Spring Housecleaning

Now that spring cleaning time is here, families all over the nation are breaking out lighter clothes, and putting their winter clothing away in moth balls or crystals.

While this cheerful process is going on, however, it is a good idea to keep the moth balls and the children strictly apart—for naphthalene, the substance from which most moth repellents are made, is a dangerous poison.

Over 400 deaths a year occur in the United States in children under five as a result of accidental poisoning, according to Pfizer Spectrum, the medical magazine.

Naphthalene or moth ball poisoning is especially important because the toxicity of the chemical is not widely appreciated; instead of seeing that it is always out of reach, parents often leave it around and infants or small children pick it up in the belief that it is candy.

The result can be a severe and rapidly worsening anemia caused by destruction of the red blood cells. By the time the child can be rushed to the hospital, it is usually so acutely ill as to be put at once on the emergency status.

Since the alarming symptoms do not occur until three to seven days after the moth balls have been eaten, the parents may have no idea what the cause of the trouble is, and even the doctor may be baffled. Treatment consists of repeated transfusions of whole blood.

So, for safety's sake, put those moth balls on a high shelf when you're through with them—and when you're using them, don't let them out of your sight. The alternative is a tragedy.

STRENGTH FOR THESE DAYS

But why dost thou judge thy brother? Or why dost thou set at naught thy brother? For we shall all stand before the judgment seat of Christ.—(Romans 14,10.)

The people we work with, those who ride the bus with us—let us look upon them with eyes of love and understanding and brotherhood, remembering in our deepest heart the wondrous words of St. Paul.

Louisville VA Office Now Handling All New Death Claims

Beginning on June 11 the Veterans Administration regional office in Louisville is now handling all new death claims from widows and children of deceased Kentucky veterans for government life insurance, compensation and pension, accrued benefits and burial allowances. These claims have been handled by a VA district office in Philadelphia.

The decentralization of the claims to the Louisville Regional office will provide beneficiaries of deceased Kentucky veterans one-stop VA service such as is now available to living veterans. The VA stated the decentralization eventually will result in a more economical operation. The decentralization applies only to new death claims and does not include those cases in which the VA already is paying benefits.

GOOD HEALTH IS YOUR BIRTHRIGHT

Every human body has necessary functions that are essential to good health. To the Chiropractor disease is simply a function abnormally expressed. Through Chiropractic examinations, the root of the abnormal function is located, the necessary treatment determined and, following Chiropractic adjustments, the function normalized.

Shown Below Are Some Actual Cases

Where People Turning to the

LEEPER-ORR CLINIC

Have Been Restored From Sickness to Health

Mrs. Nellie Allsbrook

Mrs. Allsbrook entered the LEEPER-ORR CLINIC suffering from a near nervous breakdown. After a few adjustments, for the first time in two years, she was able to sleep normally, without sedation. She is now able to perform all the duties required of her. In her own words, "I think the LEEPER-ORR CLINIC is the most wonderful thing yet."

Mr. Homer Goode

Mr. Goode, suffering from a nervous stomach and lung trouble, was referred to the LEEPER-ORR CLINIC by another patient whose health problem had been solved through Chiropractic. After entering the LEEPER-ORR CLINIC, his trouble located, Mr. Goode, who had been on a strict diet for some time, was told it was no longer necessary to restrict his diet. Treatments were started and it was not long until he began gaining weight and sleeping normally. Mr. Goode has this to say about the LEEPER-ORR CLINIC, "I can personally recommend the LEEPER-ORR CLINIC to anyone suffering from anything."

Miss Juanita Barker

Miss Barker had been suffering from bronchial and lung trouble for some time prior to entering LEEPER-ORR CLINIC. Following Chiropractic examinations, the cause was located and the necessary treatments begun. She showed improvement not long after her first adjustment. Checks by X-Ray examinations showed her to be well of this condition.

Here Is The List Of Conditions That Have Been Helped By The LEEPER-ORR CLINIC

ADENOIDS
ANEMIA
APPENDICITIS
ARTHRITIS
ASTHMA
BRONCHITIS
